License for Diversion and Use of Water

LICENSE ~~2537~~

PERMIT ~~2720~~

APPLICATION ~~5185~~

THIS IS TO CERTIFY, That Island Reclamation District No. 2088
Santa, California

as of May 13, 1943 (the date of inspection) has made proof to the satisfaction of the Division of Water Resources of California of a right to the use of the waters of San Joaquin River, Old River, Dredger Cut in Paradise Cut and Salmon Slough in San Joaquin County, tributary of Suisun Bay.

for the purpose of irrigation use under Permit ~~2720~~ of the Division of Water Resources and that said right to the use of said waters has been perfected in accordance with the laws of California, the rules and regulations of the Division of Water Resources and the terms of the said permit; that the priority of the right herein confirmed dates from August 12, 1936; that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount actually beneficially used for said purposes and shall not exceed forty nine and twenty four hundredths (49.24) cubic feet per second from January 1 to December 31 of each year.

In case of rotation the equivalent of such continuous flow allowance for any thirty day period may be diverted in a shorter time if there be no interference with other vested rights.

This license is based on the use of water made during the year 1941 which was the year of maximum use within the three year period preceding the date of inspection; namely, May 13, 1943.

The points of diversion of such water are located as follows:

- (a) A point on San Joaquin River located North 2° 30' East 1020 feet from the Southwesterly end of Southern Pacific Railroad Company's steel bridge over San Joaquin River and being within the NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of projected Section 4, T 2 S, R 6 E, M.D.B. & M.
- (9a) A point on San Joaquin River located North 17° 10' West 5080 feet from the Southwesterly end of Southern Pacific Railroad Company's steel bridge over San Joaquin River and being within the SW $\frac{1}{4}$ of SE $\frac{1}{4}$ of projected Section 33, T 1 S, R 6 E., M.D.B. & M.
- (b) A point on Old River located North 43° 52' West 10,460 feet from the Southwesterly end of Southern Pacific Railroad Company's steel bridge over San Joaquin River, and being within the SW $\frac{1}{4}$ of NE $\frac{1}{4}$ of projected Section 32, T 1 S, R 6 E., M.D.B. & M.
- (c) A point on Old River located North 52° 20' West 17,430 feet from the Southwesterly end of Southern Pacific Railroad Company's steel bridge over San Joaquin River and being within the NE $\frac{1}{4}$ of SW $\frac{1}{4}$ of projected Section 30, T 1 S, R 6 E., M.D.B. & M.
- (d) A point on Dredger Cut in Paradise Cut located North 80° 50' West 13,210 feet from the Southwesterly end of Southern Pacific Railroad Company's steel bridge over San Joaquin River, and being within the SE $\frac{1}{4}$ of NW $\frac{1}{4}$ of projected Section 6, T 2 S., R 6 E., M.D.B. & M.
- (e) A point on Salmon Slough located North 64° 50' West 23,400 feet from the Southwesterly end of Southern Pacific Railroad Company's steel bridge over San Joaquin River and being within the SE $\frac{1}{4}$ of SE $\frac{1}{4}$ of projected Section 26, T 1 S., R 5 E., M.D.B. & M.
- (f) A point on Old River located North 54° 40' West 19,850 feet from the Southwesterly end of Southern Pacific Railroad Company's steel bridge over San Joaquin River and being within the NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of projected Section 25, T 1 S, R 5 E, M.D.B. & M.
- (g) A point on Dredger Cut in Paradise Cut located North 82° 00' West 12,180 feet from the Southwesterly end of Southern Pacific Railroad Company's steel bridge over San Joaquin River and being within the SW $\frac{1}{4}$ of NE $\frac{1}{4}$ of projected Section 6, T 2 S, R 6 E, M.D.B. & M.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the department.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license, does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property can not agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
